## Crime, Karate, And Children

**\*\*Hello friends, I know I haven't been doing any Austin & Ally stories, all that I have is Girls so far... So here's a a new story! Enjoy!\*\***

\* \* \*

><p>Two girls are leaving their dojo after a grueling lesson of karate.<p>

"You know what, Judy, I'll never be any good at karate."

"Don't say that, Melissa. You're great! Much better than me!"

"I know, but I mean, I'll never be good enough to fight crime, like the Moon family. They are the best workers for the Anti-Crime Association!"

"I know! I love all of them! They are amazing!"

They stop and look at a poster of the Moons.

"Man, first there's Mike and Mimi, who have worked for the ACA since they were young, like our age! They met on the job and before you know it, they're married!"

"Then there's Sam, the oldest child at 26. He is totally my favorite. He's so cute!"

"No way! Austin's cuter!"

"But he's taken"

"Yea, then there's Austin, who's 24 and his wife, Ally. Austin is younger than Sam, but funny thing is, he's married!"

"Yep, and Madelyn, who's 18. She's so awesome!"

" And then there's the twins, Alexandria and Charles! At 14 years old, they are amazing!"

"And Natalie, who's our age, 11! Boy, they say her fist is made of iron, she can punch so hard!"

"And don't forget Max! Even though he's 9, he's got a black belt!"

"I wish one day, we'll be just like them."

"Soon, Judy, soon."

><p>"You will die, punching bag. Oh, it is on"<p>

Alexandria started attacking the bag, like it was a criminal she was fighting.

"Woah, Lexxi, that is expensive, you know."

"Oh, shut up, Charles. I need to practice, so do you."

"I'm better than you, so I don't need practice."

"Oh, really now. I am five minutes older than you, so you better be nice. Or it's on like Donkey Kong."

"Okay, okay."

"What's going on in here?" Sam came into the room and questioned.

"Forget them, Sammy. It's just sibling rivalry!" Natalie said.

"Don't call me Sammy."

"Fine, Samuel."

"Don't call me that either."

"Bathroom! Bathroom! Bathroom!" Ally exclaimed, holding her stomach as she ran through the room, towards the bathroom. Once she was there, they heard sounds of her vomiting.

"Man, she has been sick all week!" Lexxi said to her siblings.

"You don't think, she might be, you know?" Natalie said.

"She might be, she's been puking like crazy." Charlie pointed out.

"What are you talking about?" Madelyn said as her and Max entered the room.

"We think Ally might be, you know... pregnant." Lexxi told them.

"She's been sick a lot, and has been dizzy and everything..." Sam said

"Well, there's only one way to find out. Lexxi, want to come with?" Madelyn asked.

"Where?"

"We're gonna go to the store, after I talk with Ally, kay?"

"Sure, but for what?"

"A pregnancy test, and some groceries."

"You're pregnant?" Austin asked as he came into the room.

"No! I'm getting a test for, um, my friend Gail." Madelyn said.

"Okay..."

Madelyn walked into the bathroom and started rubbing Ally's back.

"Hey, you okay?"

"I'll live"

"Um, well, um, we, um, think you might be, uh, pregnant"

"What?"

"Well, you have symptoms of pregnancy, and well, I'm gonna go get you a test. Kay?"

"S-sure. But what if I am?"

"Then we will support you every step of the way."

"Thanks"

\* \* \*

><p>"Ok, Ally, just urinate on the tests, wait 5 minutes, then let us know. No, wait, tell us at dinner so everyone can know at once."  
Madelyn said<p>

"Ok. Wait, I have to pee on them?"

"I guess"

"Thanks, Maddie"

"Anytime"

Once Ally saw the little plus sign, she knew that as of now, her life would never be the same...

At dinner, Ally stood up, and clinked her glass with her spoon.

"Yea?" everyone asked.

"I have an announcement to make"

"Which is?" Charlie asked.

"I'm pregnant"

><p><strong>Okay everyone! This story is gonna go like, as Ally's journey of pregnancy continues, the story of Austin and Ally, how they met, and so on, will be told. I know it's short, but, it will be longer. Don't worry! <strong>
